
Hello and Welcome to Nursery

Our Curriculum Week this term is Science with a particular focus on scientific enquiry and subject specific vocabulary. In Nursery we will be learning about change.

This project will be cross-curricular and, as such, the children will be learning and applying skills in English, Maths, Geography and Design and Technology.

There is a lot of information on our website and the World Wide Web, so please help your child with any research they may be interested in.

The theme for our assemblies this term is 'People who help Us'.

Important dates this term

- Monday – Your child may bring a toy to Nursery
- Monday – P.E with Aziz
- Tuesday – Music with Stuart Rathie
- Wednesday – Dance with Alexis Butterworth and return bookpack to Nursery
- Friday – Choose a book to take home

Reminders

The Nursery opens at 9.00am and finishes at 3.20pm. The main school finishes at 3.30pm.

The way to a nursery teacher's heart!

- Make sure clothes are named
- Clothe your child in easy-on, easy-off garments that enable him/her to be independent
- Make sure your child has something warm to wear outside. A thin jacket is not enough when the weather is changeable
- When buying new shoes, check that your child can get them on and off unaided
- When buying a jacket, check that your child can put it on and take it off independently and that he/she can do up the zip unaided

Ways you can help at home

- Read with your child and talk about the books you share together
- Spend time each day talking and listening to your child as he/she shares events that have happened during their day

Please come and speak to us if there is anything you are not sure about or want to ask… We are here to help.
