
Hello and Welcome to Year 1

Our Curriculum Week this term is Science with a particular focus on scientific enquiry and subject specific vocabulary. In Year 1 we will be learning about the properties of different materials.

This project will be cross-curricular and, as such, the children will be learning and applying skills in English, Maths, Geography and Design and Technology.

There is a lot of information on our website and the World Wide Web, so please help your child with any research they may be interested in.

The theme for our assemblies this term is 'People who help Us'.

Important dates this term

Trips:

- Linley Sambourne House – Monday 2nd March

Please ensure that your child has a P.E. kit (navy blue shorts/tracksuit, a white t-shirt and trainers) for these days.

Homework

- Please read with your child every day and make a comment in the reading record book.
- Book packs are sent home on Monday, Wednesday and Friday.
- A spelling list is given out every Friday and there is a test the following Friday. Please help your child learn how to spell these words using the LOOK, SAY, COVER, SAY, WRITE, SAY, CHECK method.

These tasks reinforce learning in school. Please support your child in completing these tasks. If they are taking too long or appear too difficult for your child, please let the teacher know. For more information, please read the Homework Policy / Schedule on the website.
