

Hello and Welcome to Year 2

Our Curriculum Week this term is Science with a particular focus on scientific enquiry and subject specific vocabulary. In Year 2 we will be learning about living things and their habitats.

This project will be cross-curricular and, as such, the children will be learning and applying skills in English, Maths, Geography and Design and Technology.

There is a lot of information on our website and the World Wide Web, so please help your child with any research they may be interested in.

The theme for our assemblies this term is 'People who help Us'.

Important dates this term

Trips:

- London Zoo – Thursday 30th January
- Great Fire of London Walk - Monday 16th March
- Holland Park – Habitat Trip – Monday 23rd March

- Assembly:
- 2C - Friday 28th February

Reminders

- Monday – Gym
- Tuesday – Outdoor Games
- Thursday – Dance

Please ensure that your child has a P.E. kit (navy blue shorts/tracksuit, jumper, a white t-shirt, socks and trainers) for these days.

Homework

- Please read with your child every day and make a comment in the reading record book.
- A spelling list is given out every Friday and there is a test the following Thursday. Please help your child learn how to spell these words using the LOOK, SAY, COVER, SAY, WRITE, SAY, CHECK method.
- A Maths task is given out on a Friday to be returned the following Friday.

These tasks reinforce learning in school. Please support your child in completing these tasks. If they are taking too long or appear too difficult for your child, please let the teacher know.

For more information, please read the Homework Policy / Schedule on the website.
