

## Hello and Welcome to Year 4

Our Curriculum Week this term is Science with a particular focus on scientific enquiry and subject specific vocabulary. In Year 4 we will be learning about electricity and designing a portable light source.

This project will be cross-curricular and, as such, the children will be learning and applying skills in English, Maths, Geography and Design and Technology.

There is a lot of information on our website and the World Wide Web, so please help your child with any research they may be interested in.

The theme for our assemblies this term is 'People who help Us'.

### Important dates this term

Trips:

- Science Museum - Thursday 12<sup>th</sup> March
- Vauxhall City Farm - TBC

Assembly:

- 4B – Friday 31<sup>st</sup> January

### Reminders

- Monday – Outdoor Games
- Wednesday – Dance

Please ensure that your child has a P.E. kit (navy blue shorts/tracksuit, a white t-shirt and trainers) for these days.

### Homework

- Please read with your child every day and make a comment in the reading record book.
- The reading record book is to be returned every Friday.
- A word list is given out every Friday and checked the following Wednesday. Please help your child learn how to spell these words using the LOOK, SAY, COVER, SAY, WRITE, SAY, CHECK method.
- A maths task is given out every Friday to be returned the following Friday.
- An English task is given out every Friday to be returned the following Friday.

These tasks reinforce learning in school. Please support your child in completing these tasks. If they are taking too long or appear too difficult for your child, please let the teacher know.

For more information, please read the Homework Policy / Schedule on the website.
