Headteacher: Helen Swain B.Ed MA

15th June 2017.

Dear Parents,

Grenfell Tower Fire – Donations

Following the letter I sent you yesterday, I am now writing with an update from the Council regarding ways in which we can help.

The Council would like to thank all those who have already made generous donations of food, clothing and other items. They have been inundated with useful items and, for the time being, do not need any more. If and when they need further donations, they will update their website.

www.rbkc.gov.uk/newsroom/all-council-statements/fire-grenfell-tower

Meanwhile, if you would like to volunteer to help with the support effort, please contact 0207 361 3008 and let them know your skills.

The Kensington and Chelsea Foundation has launched a Grenfell Tower appeal for funding, with support from London Funders and the London Emergency Trust Fund. Monsoon/Accessorize, who have their headquarters close to Grenfell Tower, were among the first to support the appeal, with a hugely generous donation of £100,000. Details of the appeal and how the public can donate can be found on the website.
