

20th June, 2017.

Dear Parents,

It is with great sadness that I write to you, yet again, following the awful event in Finsbury Park. Our thoughts are with the families affected by the attack.

In my letter dated 14th June, and posted on our website in the Parents' section, I detailed practical tips as to how best to support your children.

We need to ensure that a clear message gets through, that this attack goes against the values of the UK and those of our school. It is vital to reassure children from all different faiths that they are a valued and important part of the school community, and that we treat each other with kindness and respect. All faiths need to stand together against hate crimes.

Yours sincerely,

Ms. Helen Swain
Headteacher
