

Charity No: 1140002

Thank you to everyone who has donated to the FoB through BT MyDonate. This has now closed but the good news is we are now using easyfundraising instead, so we can continue raising money.

Just like BT MyDonate, making a donation through easyfundraising is 100% secure and it's free - they don't take a commission on your donations or charge us for using their services so more of the money you raise comes to us.

You can also help us simply by doing your everyday online shopping and using Easyfundraising as you do so. Participating big name retailers include Amazon, Argos, John Lewis, ASOS, Booking.com, eBay, Boden, and M&S, and we will receive a small donation from the retailer to say 'thank you'.

Now there are two really easy ways to help us – by donating or by shopping. However you choose to help, we'll be very grateful for your support.
