School Clubs Brochure Autumn 2026

Please read this document in conjunction with the club timetable. Please follow the booking instructions carefully, and note the age range of the club before requesting a place for your child.

Please note that clubs will operate for 11 weeks this term.

Please note that clubs on Monday 2nd November will not take place due to INSET day, and the catch up day for this is on Monday 7th December.

Breakfast Club

If your child enjoys a leisurely start to the day, or you need to rush off to work, breakfast club may be a good option. A healthy breakfast is served before 8.25 am, and fruit served after 8.25. Children can chat, read or play board games with their friends before going to class.

It is preferred if parents and carers apply for places on a termly basis and pay for the term in advance, however, ad-hoc places may be available for parents who need them. All children must arrive by 8.30.

Ballet

Parents have been entrusting the care and development of their young ones to our family since the first La Sylvaine School was founded in Fontainebleau in 1937 by Jeanne Lamaison - our current principal's mother. We teach ballet, contemporary and tap dance. We provide a warm and caring environment where children develop a love of dance for life. Pure joy and self-discovery through dance underlies all our teaching. Optional RAD examinations are introduced slowly and without pressure.

Our experienced and caring teachers are fully qualified members of the Royal Academy of Dance and will assist your child to develop into the best dancer that they can become. Many of our teachers are also successful performers. This breadth of experience allows them to introduce dance to young children in a broad imaginative way.
